MODERN RENEWABLE HEAT USING BIOMASS FOR INDUSTRIES

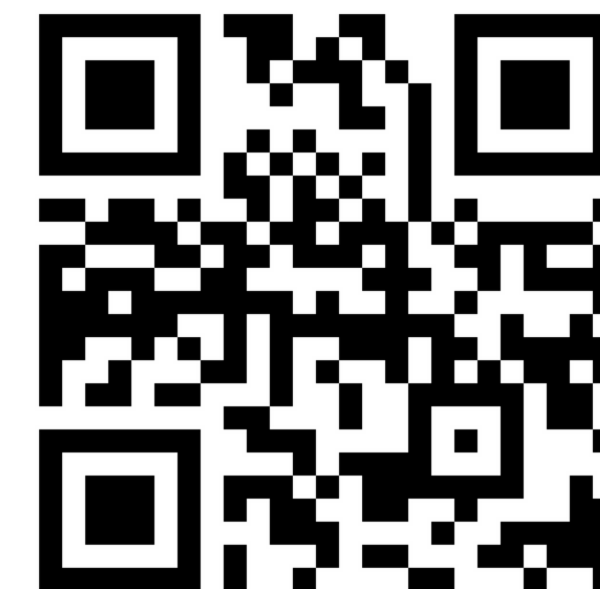

ABOUT WBA

The World Bioenergy Association is the global industry organization that supports the wide range of actors in the **bioenergy sector**.

Our mission is to promote the **sustainable** development of bioenergy globally.

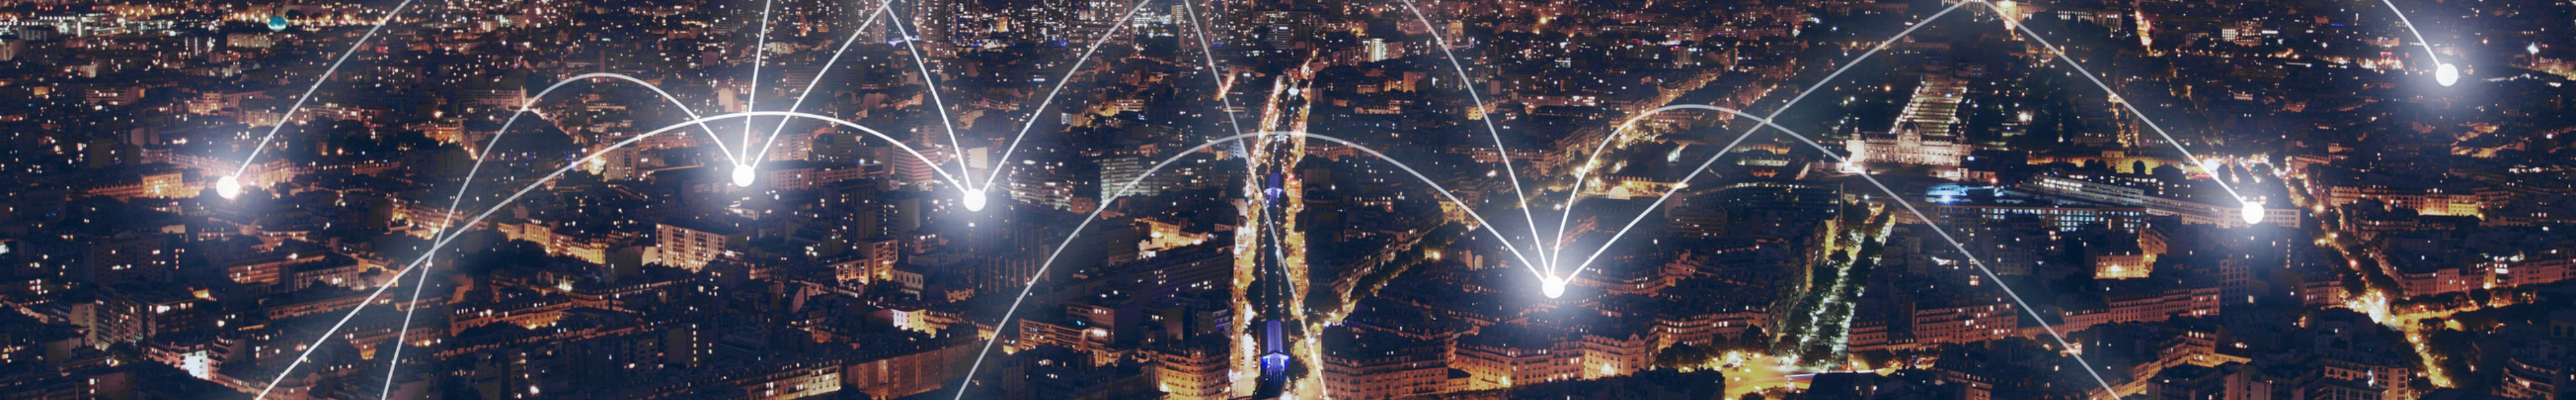

Our members include national and regional **associations** as well as **companies** in the entire biomass-to-energy value chain across the globe.

Visit our website

OUR MEMBERS

JOIN OUR COMMUNITY

Membership is open to all companies and associations in the field of bioenergy. The benefits include:

- Participate as a speaker at various **bioenergy events**
- Join **WBA delegations** to high-level forums
- Member **publications** (e.g. Bioenergy in India)
- Participate in **Working Groups**
- Support **advocacy** for sustainable bioenergy
